**President of the Notary Chamber of Belarus**

Dear President,

I hereby inform you that, jointly with the members of the UINL Steering Committee, the following decision has been adopted by a majority consensus:

**In view of the circumstances arising from the Russian Federation's invasion of Ukraine with the help of Belarus and given the severeness of these events, that none of us should be unaware of, UINL has decided to SUSPEND the exercise of the rights of the Notariats of the Russian Federation and Belarus in relation to our international organisation.**

Yours sincerely,

Not. Dr. Cristina Noemí Armella  
President of the International Union of Notaries (UINL)
